

American Watercolor Society

Student Artists,

The American Watercolor Society is opening the submission process to college and university student artists working in water media. (Please see “Entry” criteria in the 143rd Prospectus found under Exhibit and Entry Information.)

The Society prides itself on exhibiting the best work currently being produced world wide. We feel that this is a group that has a lot to offer and which could well be producing cutting edge work in water media.

If you are competitive and feel that your work is fresh and exciting with a new approach WE WANT YOU! Your work must meet our entry requirements. We accept transparent watercolor, acrylic, casein, gouache and egg tempera, and, of course, combinations thereof. We do not accept collage, pastels, digital images or reproductions, inks, crayon, markers, grease pencils or charcoal.

Download the prospectus from our website Student entrance fee is US\$30 and entries must be mailed no later than November 16th. You are also asked to include a photo copy of your current Student ID.
